

The Villager Online - How to Log In Step-by-Step Instructions

This step-by-step guide walks visitors through The Villager Online log in process. Once logged in, you will be able to quickly access your Villager Online newspaper.

Step 1: Logging In

By typing in **news.thevillagesgcc.com**, you arrive at The Villager Online newspaper and this page comes into view. The fields autofill with your information, making it that much easier. If you want to check your password, click the  to the far right. Remember to click the **Keep me signed in** box. (see image 1)
