- Starting the last week of October, we moved to an every-other-week mowing schedule that we will maintain through the colder season
- During the weeks that your VAT is not mowed (every other week), the mowing zones will still be cleaned

Please Note:

This schedule and map are subject to change as the BellaVista team gets to know the community and adjusts their zones and service days accordingly. The schedule may also shift due to inclement weather. If you have any questions, please do not hesitate to contact management.
